SAY CHEESE

Wednesday, January 2, 2008

PHOTO COURTESY OF DRI

Students from Providence Classical Academy served lunch to residents, staff and guests at Disability Resources Inc.'s Picnic on the Patio. They were accompanied by their teacher, Dierdre Salmon (second from right). The lunch was fish caught by Dean Perkins on a recent fishing trip to Mexico. He provided all of the fish and fixings for the meal, and he and a friend prepared it.
